Deze kleurenkaart is met zorg samengesteld.
(Kleur afwijkingen voorbehouden).

U kunt bij ons een samplekit aanvragen waar deze kleuren in verzameld zijn. Het is ook mogelijk om een A4 sample aan te vragen als het maar om een enkele kleur gaat.

Het gehele assortiment wordt zoveel mogelijk op voorraad gehouden met een PETFelt dikte van 9 mm. Van diverse PETFelt kleuren hebben wij ook een 12, 25 of 50 mm beschikbaar. Als u ons belt kunnen we u hierover informeren.

Het PETFelt kopen wij in of laten dit maken conform onze specificaties. PETFelt is gemaakt van polyester vezels. Sommige fabrikanten gebruiken 'virgin' materiaal (honderd procent 'nieuwe' plastic vezels) en andere tot maximaal 60% gerecycled content. Wij bieden graag onze 100% biodegradable PETFelt aan die u kunt vinden in ons assortiment.
